Maximise Your SMB Profitability

SMB Transactional and Promotion Offers

At HPE Aruba Networking, we want to support our resellers in winning more SMB business. To help with this, we provide discounts and offers that deliver greater value for networking solutions for Small and Medium Business customers.

What's Included?

Smart Book Price List

Each quarter, we update our transactional product offers and share them with you in our Smart Book Price List (Smart Book). Current offers run until May 7th 2024.

SMB Offers & Promotions

Every quarter, we offer a new set of promotions on HPE Aruba Networking SMB products. These are a combination of Smart Book products, including such things as volume discounts, combined product offers or a cashback offer. In addition we have introduced SMB Offers for volume discounts this quarter. Current offers run until May 7th 2024.

ACTION Partner Club

The Aruba Instant On ACTION Partner Club is a program designed exclusively for new and eligible partners who want to accelerate sales of Aruba Instant On networking solutions in the small business (SMB) market. See how you can increase your SMB profitability with ACTION Partner Club.

Helping you match customers to offers

We know that you do a lot of business with SMB customers, so we pick the deals to suit these businesses.
To make it easy to target the right offers at relevant customers, we split SMBs into two target groups:
