

Say hello to Aruba Instant On Access Points

FROM BLAZING TO AMAZING

Today's small businesses range from boutique retail stores to technology start-ups. Though different, each share common objectives - building the business, improving productivity and giving employees and customers an amazing online experience.

With models designed for indoor, outdoor, and hospitality or SOHO environments there's an option that meets any need, all at an attractive point. And when it comes to features and peace of mind - it starts here.

BENEFITS

PERFORMANCE YOU CAN SEE

The Internet and apps are faster than ever

YOU'RE FREE TO ROAM

Smart Mesh technology that blankets your entire space

PEACE OF MIND

Built-in security features, for a worry-free networking experience

WE'VE GOT YOU COVERED

Support in all the right places: 1-year warranty, phone and chat support, and an active online community

MEET THE MOBILE APP

Getting a network up and running, and managing and monitoring it has never been this easy. With Instant On all it takes is an iOS or Android enabled smart device and you're ready to go. **Setting up your network is as easy as 1, 2, 3.**
